

# Nest US5.1 1219 x 1016

## Nestable plastic pallet in imperial units 48" x 40" for medium loads

The Nest US5.1 is the newest universal 48x40 inch pallet. Suitable for medium loads, it offers a choice between a nestable version and three different skid versions (3, 5 and 6 skids). All versions are also available with a closed deck. This protects the cargo from pressure points and soil from below.

### Bottom support

> 9 feet (9F)

> 3 runners (3R)

> 5 runners (5R)

> 6 runners (6R)

### Deck options

> open deck (OD)

> closed deck (CD)

Optional without safety rim

\*1 Figures can vary depending on the raw material used and options applied. \*2 Guideline values are based both on experience and parts of test ISO 8611, which tests with evenly distributed loads at room temperature (20°C). Varying data may result from different conditions of usage. Your specific requirements can be identified upon request. \*3 Minimum quantity required - PO pallets should only be used and stored in a dry environment. We reserve the right to change any of the stated information without prior notice.
